**About me:**

I grow up between Greece and Germany! I have a German mentality but a Greek soul. My philosophy is that the customer has needs and the most important is to know how to fulfill these needs and to be pleasant not because that demand's the nature of the work, but first of all because this is the spirit of Hospitality! I am a team –player but also a great coordinator. I love to organize and to have success! I like to travel and to meet different people culture and mentalities as well. In my life am acting li I always like to learn new things and to develop my Knowledge in to them. I love to learn langu: the history of each place I've been! I travel a lot, I read a lot and I enjoy every trip of life.

My motto is: "find what you love and make it your passion"!
